Supporting Excellence

# Welcome to Tech Gen

Tech Gen is an exciting 6 month technology mentorship program for Year 12 students in under represented communities. We want to give students an insight in to the world of technology and give you a taste of what working life in Accenture looks like – all the while, giving you the tools and confidence to get you ready for your career.

Starting this August, through the programme you will receive one to one mentoring from a senior managers in Accenture, to help you navigate the technology space. Over the 6 month period you will be taking part in an array of activities including: tech challenges, master classes, interview coaching, CV workshops and many more fun initiatives so you feel ready to embark on a career in technology.

If you have a genuine passion in technology and are interested in undertaking a Degree Apprenticeship (or you are unsure if attending University full time is a right fit) – we want you to apply!
